

SCHOOL BREAK PROGRAMS 2021 - 2022

Terms and Conditions

Enrolling Your Child

Enrollment in all Trail Blazers programs is done online. Questions regarding program availability, enrollment, or waitlists should be directed to the Trail Blazers registration team at registration@trailblazers.org or 212-529-5113.

Securing Your Child's Place in Your Trail Blazers program

Your child's enrollment is not considered complete until full payment has been made towards their program. A non-refundable 5% administrative fee is added to all program selections. All required forms must be submitted by the applicable deadlines. Trail Blazers reserves the right to cancel programs at any time.

Pricing, Tiers, and Scholarships

We believe that outdoor adventures and play should be available to all, regardless of ability to pay. We offer tier discounts to families at all income levels, and aim to remove as many barriers as possible from the process of paying for Trail Blazers programs.

During registration, families are asked to select a tier that best reflects their household's financial situation, and will receive a discount code based on their selection. We do not ask for proof of income. Tier tuition discounts and scholarships require completion of all forms, which may include the USDA Summer Food Service Form; without completion of all forms, the program will be charged at full price. In our pursuit of creating a program that is equitable and accessible to all, we intentionally plan for and hold spots for campers in each of our tier levels.

Limited additional scholarships and program adjustments are available; amounts vary based on the program. Families for whom the program cost remains out of reach are asked to contact the Trail Blazers registration team at registration@trailblazers.org or 212-529-5113 for a supplemental scholarship request form. It is the responsibility of the parent/guardian to apply within two weeks of registering for your program if additional scholarship assistance is required, otherwise it will be assumed that you intend to pay the total amount as per your self-selected tier.

Payment Plans

The availability of payment plans varies by program. Information about program payment expectations is given at the time of registration. By registering for a Trail Blazers program, you are acknowledging the payment expectations for your particular program, and agreeing to abide by those expectations.

We are willing to offer individualized payment plans insofar as our administrative capacity allows. We require that families demonstrate intent to pay and reserve the right to revoke scholarships from families who neither demonstrate intent to pay nor communicate changing circumstances with the registration office.

Refunds and Cancellations

This policy has been updated to reflect the operational and financial realities of operating our program, and aims to strike the right balance between ensuring the financial stability of the organization, ensuring that we are able to engage in advanced program preparation, and preserving our ability to support and underwrite families who need it most.

- For the 2021-2022 program year, tuition for school break programs is due at the time of enrollment
- 30% of each tuition is considered a non-refundable deposit

TRAIL BLAZERS

- In the event that you were to cancel your enrollment with at least 10 days notice to the start of the program, the remaining 70% of the program cost will be refunded
- There will be no refunds for any portion of the program with less than 10 days notice.
- We are beholden to CDC and DOH directives for our program operations. So long as we are granted permission to operate, and in our judgment are able to do so with minimized risk, our programs will run.
 - In the event that an entire program is cancelled due to inclement weather, the 30% non-refundable portion remains; the remaining 70% of the program cost is considered refundable upon request. Our staff are paid for program closures.
 - In the event that a single day or multiple days of a program are cancelled due to inclement weather, the 30% non-refundable portion remains; a prorated portion of the remaining 70% of the program cost is available for refund upon request. Our staff are paid for program closures.
 - COVID-related closures: No refunds will be given should our program be required to temporarily close in response to COVID infection or exposure.
- Refunds may take up to 3 months to process.

Consent to Participate

I hereby consent to my child attending Trail Blazers on the agreed dates. I also grant permission for my child to participate in trips when included as part of their described program using such means of transportation as deemed necessary by Trail Blazers.

I understand that this program may include activities that have inherent risk, including active games, outdoor pursuits, as well as activities specific to chosen programs. These pursuits may include but are not limited to hiking, running on blacktop, pavement, or grassy areas with uneven ground; adventure-based pursuits.

In consideration of allowing my child to participate in a Trail Blazers program, I hereby release and forever discharge Trail Blazers and its officers, volunteers, employees, contractors, and agents from any liability arising out of or based upon any bodily injury or property damage which may be sustained by my child while participating in such a program. I release Trail Blazers and associated programs from all obligations in the event of an accident for which they are not negligent.

Consent for Medical Treatment

If my child is injured and requires medical attention and I cannot be reached for instructions, I do hereby give authority to Trail Blazers to obtain necessary emergency medical treatment for my child with the understanding that I or my designated emergency contacts will be notified as soon as possible.

Behavior Management

We want to help each of our campers to be successful in their program. Our campers' physical and emotional safety will always be our number one priority. We are proactive in our behavior management approach by setting expectations for behavior, providing explanations, and keeping group rules simple. Another proactive step we take is a hallmark of all Trail Blazers programs, and that is learning about all of our campers, building relationships with them, and helping them build relationships with each other. We seek to accommodate individual needs and to problem solve with children and their caregivers so that everyone can have an amazing experience in their program.

Everyone has days that are more challenging than others. We know that when a child is presenting with unwanted or difficult behavior, it is often driven by an underlying unmet need. We seek to identify and fill that need whenever possible. The behavior management strategies we use include:

- Positive praise: pointing out and praising desirable behavior
- Redirection: offering an alternative behavior or choice

TRAILBLAZERS

- Reminder of expectations: this may serve as a warning before other consequences
- Problem solving: a staff member intervenes to help the child think through alternate options for their behavior, and perhaps work together to determine a logical consequence
- Logical consequences: a staff member may remove or restrict an object temporarily; for example, a child persistent in throwing art supplies after a reminder may need to sit out for a short period of time
- Taking space: allowing the child to relax and calm down in a safe space away from peers, with or near a grown up

Whenever campers must be removed from the group, they will be welcomed back with kindness.

In instances of repeated inappropriate behavior, the parent and program leader might collaborate on a plan and timeline for addressing the behavior. If the behavior continues after the plan has been implemented, parents may be asked to pick their child up immediately, or to keep the child home from the program for one or two days. If the behavior continues, parents may be asked to withdraw their child.

Certain behaviors may result in the immediate dismissal of a camper. These behaviors include anything that presents a significant danger to the child or others, intentionally running away, or purposeful property damage.

Children who are requested to withdraw from the program are welcome to enroll in future sessions. We believe that children learn and grow, and that everyone deserves a second chance
