BBP Eco

Explorers

If you go to Vail Lawn,  
you can see Manhattan  
and the Brooklyn Bridge.

This is our model of the tree in the Park ☺

Avery

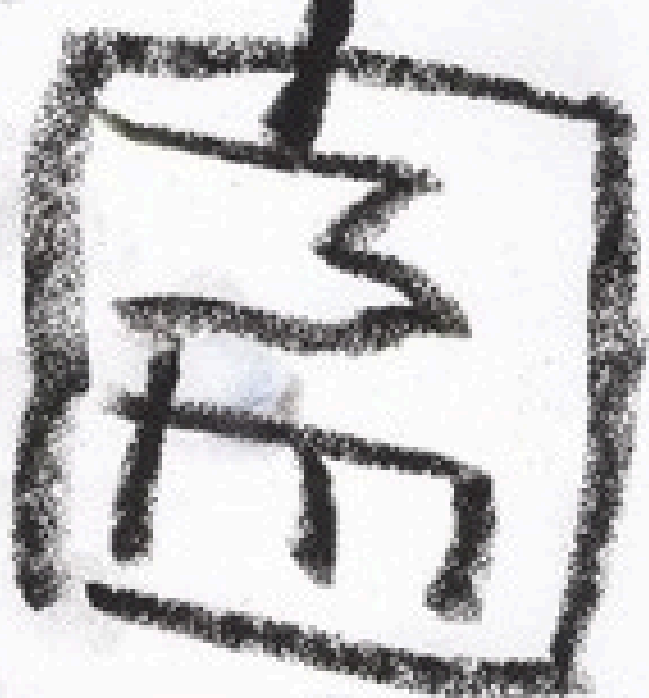

top of bark  
not in part of  
real trees

Compass

My VLEW

By: NAME  
July

com 100g  
~~CO 100g~~

The red arrow always  
points north.  
Compasses have the  
four directions.

or
